Your first tournament as a volleyball scorekeeper

A practical family match-day guide.

Official scorer duties follow the event's approved system and training.

Agree on the job

Family score, player stats or official record? Confirm the role.

Practise point entry, correction, timeout and end-set controls.

Check before first serve

Correct teams. Event match format. Charged phone.

Visible scoreboard. Tested connection if sharing.

Keep up with the match

Enter each awarded point. Check the score at pauses.

Wrong team on your latest point? Tap Undo, enter the point for the correct team, then check both scores.

Confirm missed action, timeouts and set endings.

Test the shared view

Open FanView on a second device.

Browser viewing needs no app installation; viewing and broadcasting require registration.

Live sharing needs internet. Video needs a broadcaster.

Finish carefully

Confirm the result, conclude the game and update supporters.

FanView links expire 15 minutes after game conclusion.
